

FUEGO

SmartStation IP

The New FUEGO SmartStation IP Series from Cotell brings unequalled style and cutting-edge design to today's modern hotel room.

Developed to satisfy open SIP standards and the PBX Manufacturer's own proprietary IP functions, Cotell SIP phone technology allows the hotelier to benefit from Internet Protocol-based (IP) communications and converged networking without foregoing the elegant simplicity and core functionality of the hotel guest room telephone.

THE HOTEL PHONE HAS EVOLVED.
